Welcome to LeMarsh Gardens Apartment Homes, where you'll find small-town charm with easy access to the big city vibe of LA, a perfect blend for all lifestyles. Chatsworth, CA (part of San Fernando Valley) is well known for the ranches and horses in the area since the late 1960's and renown for residences of famous actors. Its what we like to call the "old school Calabasas area of the valley." This community offers easy access to the 118 and 405 freeway, leading you to Porter Ranch, Granada Hills, Canoga Park, Northridge, Simi Valley, Hollywood and all of Los Angeles. And about a 30-minute drive to the well renown Magic Mountain and about an hour from the beautiful beach of Malibu and Topanga.
